Subject: Proposed Amended Notice, CWS Annual Rate Adjustment Mechanism, 2018-358-WS

Dear Jocelyn:

I am emailing regarding a proposed amendment to the Notice of Filing issued in Docket No. 2018-358-WS, which concerns the annual rate adjustment mechanism proposed by Carolina Water Service, now doing business as Blue Granite Water Company (the "Company"). The cost of publishing the Notice of Hearing issued in this docket would be prohibitively high. A shortened notice for publication was permitted for the Company in Docket Nos. 2015-199-WS and 2017-292-WS, and such being permitted in this case would save customers the added cost of publishing the much longer notice initially issued. Moreover, the full notice issued by the Clerk's office would still be included in the bill inserts issued to customers. We therefore respectfully request your permission to publish the attached, shortened notice.

We also must request an extension of the Company's deadline for issuing bill inserts. As these are completed throughout the 30-day billing cycle, the Company would be unable to issue all bill inserts by the current deadline of March 25, 2019. The Company therefore requests that this date be extended to April 14, 2019, with certification provided to the Commission on or before April 15, 2019.

We have sent this request to ORS in advance of contacting you. If you have any feedback or concerns, please let me know. Thank you for your consideration.

Best,
 Sam

PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA

CLERK'S OFFICE

NOTICE OF FILING AND HEARING AND PREFILE TESTIMONY DEADLINES

DOCKET NO. 2018-358-WS

Verified Application of Blue Granite Water Company (formerly known as Carolina Water Service, Inc.) for Approval of Annual Rate Adjustment Mechanisms and Petition for an Accounting Order to Defer Expenses

Blue Granite Water Company (BGWC or the Company), formerly known as Carolina Water Service, Inc. has filed with the Public Service Commission of South Carolina (the Commission) an Application for, in part, approval of annual rate adjustment mechanisms (procedures) for purchased water expenses and wastewater treatment expenses and the proposed 2019 rate adjustments, including approval of the Company's request to recover previously deferred purchased water and wastewater treatment expense amounts for the period of March 2018 to January 2019, as shown on Exhibits D, E, F, and G of the Application. The Company also requests authority to continue to defer the Company's purchased water and wastewater treatment expenses (above or below the amounts reflected in base rates) caused by changes in third party provider rates, until such expenses are reflected in rates. As justification for the Application, the Application states that BGWC purchases water from approximately 13 third party providers, a number which may increase in the future. The Application states further that the Company purchases wastewater treatment services from 6 third party providers, a number which may also increase in the future. Since mid-2017, the Company has experienced wholesale rate increases from eight of its purchased water providers and has experienced wholesale rate increases from two of its wastewater treatment providers. Collectively, these ten wholesale rate increases amount to over \$1,000,000 annually.

The Application was filed pursuant to S.C. Code Ann. §§58-5-210, 58-5-220, and 58-5-240, S.C. Code Ann. Regs. 103-503, 103-703, 103-823 and 103-825, and all other applicable statutes and regulations of the Commission.
